Presented by Memphis Wine Society founder and Sommelier, Norbert Mede

Learn What makes wine what it is.
How wine is made. How to taste, swirl and describe wine.
How to choose a wine glass. How to buy wine.

Taste Delicious wines paired with
fantastic appetizers from Executive Chef, Harold Morris.

The time has come to elevate your wine knowledge
with our **INTRODUCTION TO WINE** class, presented by Memphis Wine
Society founder and Sommelier, Norbert Mede. Join us for our 3 part
series as we taste 12 wines and explore a variety of wine regions,
grape varietals, terroir, wine making techniques, wine etiquette and
much more. Fun, informative and of course, **WINE!!**

Originally from Northern California, **NORBERT MEDE** is a fairly
new transplant to Memphis and the beautiful Mid South region
after falling in love with the city's diversity, history and unique cultural
opportunities. He is a 35 year veteran of the hospitality industry from
his early days of starting a party staffing and catering company and a
brewery tour company, to his extensive hotel and restaurant experience
as a chef, hotel and resort general manager, as well as owner of several
hospitality businesses.

Norbert grew up with the famous California Wine Country as his back
yard but has traveled extensively through the Americas, Europe and
Africa. His passion for making wine accessible and de-mystifying it
through education and hosting unique and exceptional wine centric
events, as well as hosting wine travel throughout the world, led him to
found the Memphis Wine Society in early 2023.
